

CONTENTS

Vol. XIV, 1978.

- 3 Some factors affecting the likelihood of moderate drinking in treated alcoholics, R. E. POPHAM, W. SCHMIDT
- 13 General system theory and the treatment of alcoholism, N. LAZIĆ
- 19 Personality features of drug users, D. A. JULIUS
- 25 Nida's role in the development of narcotic antagonist, D. A. JULIUS
- 29 Trauma and alcoholism, B. OBERHOFER, B. SMILJANIĆ
- 37 Psychotherapie et sociotherapie des alcooliques dependants au Centre de Cure de la Membrolle (France), J. L. BERNOT, J. P. FERRANT
- 45 Treatment and Rehabilitation of American military veterans with alcoholism, S. L. BAKER
- 50 The alcohol traffic safety program. Early intervention in alcoholism through court diversion of drunk drivers, M. A. HOLSER
- 62 A one-day census of drug problems in small Canadian city, P. D. ROSENBAUM
- 69 Psychological approach to drug problems, M. A. VILLAMIRA
- 72 Une nouvelle benzodiazépine (Bromazepan) dans le traitement du delirium tremens, V. COSI, G. MAZZELLA
- 78 Punti fermi sul problema delle tossicomanie, S. FIUME
- 83 Alcoholism: Psychological and therapeutic problems, F. WEISZ, M. CASACCHIA, R. CERBO, G. MECO, D. ORTIGOZA
- 88 Addictivity and work rehabilitation of alcoholics, T. KOJIĆ, V. TRBIĆ, Lj. KRASOJEVIĆ
- 94 Report on 1,832 patients habituated to heroin and opioid drugs treated 1972-1975 — Methadon substitution treatment program, with concurrent counseling and urine surveillance, J. P. PAPPAS
- 97 Effects of parental alcoholism on the clinical manifestations of mental retardation in children, V. M. YAVKIN
- 107 Correlation between T. B. and alcoholism, R. BONN, M. De VANNA, F. OTTOLENGHI, P. VERRIENTI
- 112 The use of Methadone hydrochloride as a substitute in heroin addicts, R. CERBO, M. CASACCHIA, G. MECO
- 117 Alcoholism in women, P. VERRIENTI, M. De VANNA, F. OTTOLENGHI, F. POLDRUGO

- 122 Alcohol and drug dependance in the youth, a comparative study, F. POLDRUGO, M. De VANNA, F. OTTOLENGHI, P. VERRIENTI
- 126 Alcoholism in the Friuli — Venezia Giulia, M. De VANNA, F. POLDRUGO
- 130 The doctors' disease and what to do about it, H. K. PANJWANI
- 134 The marital patterns test of ryle in the study of some aspects of marital relationships of the alcoholic (Preliminary observations), N. P. NIELSEN, V. NAVA, C. DRAGO
- 140 La présentation comme un accès psychothérapeutique visé dans la psychothérapie de groupe des alcooliques, Z. DELEVIĆ, I. STANKOVIĆ
- 146 Public health perspectives on alcohol problems with special reference to Canada, W. SCHMIDT
- 158 The structure to therapeutic group of alcoholics, N. MANDIĆ
- 164 Our ten million problem drinkers what's being done about it, L. B. SAGER
- 173 Dinamics of disturbed human relations due to alcoholism, and the prospects of treatment and rehabilitation, VI. HUDOLIN
- 181 The precision of manipulation in auto-experimental alcohololaemia and in sobriety, J. GOLČIĆ
- 186 Report of meeting — Ethnicity, class, and alcohol use, D. B. HEATH
- 188 Book review

NOTICE:

The paper »Temporal Features in Alcoholic Violence« by M. R. Keen and M. Evans, published in *Alcoholism* 13:51, 1977, was read at the 6th World Congress of Social Psychiatry, Opatija, 1976, as an early draft and contains some data that were not intended for publication. The authors ask the readers to consider this notice.
